### **Friday, September 15th**

Friday's agenda includes speakers and hands on training for triage. When a disaster strikes it is one of the first things that is needed and often not done the correct way. Friday will start at 2:00 p.m. and run until 6:00 p.m.

### **Saturday, September 16th**

Saturday's agenda will include several amazing speakers, bringing us the latest information on TRAUMA. Some of the topics include: Shock, Preparing for a Disaster, Back Board or No Back Board and Lessons Learned from Crandall Canyon Mining Disaster 10 years later.

There will also be hands on training on Roles and Responsibilities When Disaster Strikes. Classes begin at 8:00 a.m. sharp and go to 5:30 p.m.
